SKILLS

Stephen Colbert Presents Tooning Out the News

(Comedy Central) Jul 2022 - May 2023

From executive producer Stephen Colbert, *Tooning Out the News* is a critically acclaimed animated news series featuring animated characters lampooning topical news of the day and interviewing real-world guests.

As a **Graphics Artist** on season 3, I **designed & animated motion graphics, segment bumpers, & real-to-life composite mockups.**

Full Frontal with Samantha Bee

(TBS) Jan 2016 - June 2022

Full Frontal with Samantha Bee is a late-night talk and news satire television program that aired on TBS from 2016 to 2022.

As a **Graphics Artist** for the entire run of the series, I **created hundreds of graphic elements for each episode.** Additionally, I helped to **establish the visual identity of the show, as well as design graphics packages for special episodes. I animated/illustrated multiple segments, designed and built physical props, & managed the department** when our Senior Graphics Artist was on leave.

Comedy Central

Freelance/Contract Work 2019 - 2022

Alternatino with Arturo Castro (2019) Satirizing everything from modern dating to American culture to politics, *Alternatino* brings a fresh point of view to the Latinx experience. I **designed the main title sequence, show logo, intersitials & title cards** for each episode of the series.

'Meets God' Web Series (2021-2022) 'God' interviews influencers and artists in this animated web series. I **designed and illustrated hundreds of frames** for three episodes of this series.

In addition to full-time work, I've done freelance design, VFX, illustrations & animations for the following clients/shows:

Inside Amy Schumer (Comedy Central)

Johns Hopkins Bloomberg School of Public Health

The Bear (FX)

Ziwe (Showtime)

Search Party (HBO Max)
